

Introduce yourself to your new group.

- a. Where do you live?
- b. Where do you work?
- c. What's your family structure?
- d. What is one thing about you that makes people laugh or one thing not many people know about you?
- e. What are two things you hope to get from this class this year?
- f. How are you doing right now?

Discussion Questions

Genesis 1:1. *"In the beginning God created the heavens and the earth."*

- a. The word "beginning" makes it clear God chose to initiate time. Why do you think God created time?
- b. People who believe in God live a different life than those who do not believe. What are ways you are living that make you different than those who do not believe?
- c. Atheists say human suffering is a proof God does not exist. How would you explain why God allows people to suffer to an atheist?
